PAGOH: Tan Sri Muhyiddin Yassin wants DAP to stop blaming Barisan Nasional over the investigations by the Registrar of Societies (ROS).

He said the ROS has clarified that DAP can use the Rocket logo in the general election and they have not been de-registered.

"I hope the DAP leaders will not spin the matter to make them look like victims or worse, that this is all the work of Umno.

"Don't forget, that many years ago in 1988, Umno was labeled illegal and we had to re-establish the party," he said.

Muhyiddin added that ROS' investigations and decision were in accordance with the laws and Barisan was not meddling in the investigations.

On the candidacy of Datuk Zulkifli Nordin for the Shah Alam state seat which purportedly received criticism by various parties, especially Hindu groups, Muhyiddin said Zulkifli had admitted his mistakes and has apologised.

"He is a seasoned politician who is outspoken but he is also a man with calibre.

"We will wait and see if the people accept him. The decision of the rakyat will be respected," he said.
