KUALA LUMPUR, May 28 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak today reiterated the government's promise to reduce the car prices in stages.

"As promised, car prices will be reduced in stages until 2017. Insya Allah, I will ensure that every promise is fulfilled," he said in his latest tweet.

In its pledge for the 13th general election recently, the Barisan Nasional promised to review the National Automotive Policy to reduce the price of cars between 20 and 30 per cent in stages and to raise the competitiveness of the national cars, if given the mandate again to administer the country.
