KUALA LUMPUR, June 3 (Bernama) -- The government will continue efforts to bring changes and transformation because the people have shown they want changes, said Prime Minister Datuk Seri Najib Tun Razak.

He said changes and transformation could be done without changing the government.

The Prime Minister said this in his latest entry in his Facebook social site account on Monday.

In the same entry, Najib said he attended the first monthly gathering of the Prime Minister's Department after the 13th general election (GE13) on May 5.

"I attended the first monthly gathering of the Prime Minister's Department after GE13, at Dataran Perdana, Putrajaya, this morning.

"As a government, we will continue our efforts to bring changes and transformation, because the people have indicated they want changes and these changes can be done without changing the government," he said.
