PAGOH: Deputy Prime Minister Tan Sri Muhyiddin Yassin said the Barisan Nasional election candidate list is final and no more changes will be allowed.

He urged all component parties to throw their support for the candidates selected by the party leaders. He said he understands their frustration but urged them not to do anything rash.

"By contesting as a independent candidate or under an opposition party banner would mean they would be sacked from the party and banned from re-entering the party for life.

"From past experiences, the aggrieved people who were not selected to contest and decided to do something rash, would often regret their decision few days later but if they hope to be accepted back into BN, it would already be too late,"

Muhyiddin said this after checking the election preparations at the Kampung Tengah Umno branch election center today.
