BY MUZLIZA MUSTAFA

As the countdown to the Kuala Besut by-election began, PAS began to reach out to voters residing outside the constituency via Facebook and phone calls to get them to return and vote tomorrow.

Hanafiah Mat, campaign manager of PAS candidate Azlan Yusof, said the party is confident that 90% of them will return to vote.

“We are confident they will be coming home as we have called them personally,” he said this afternoon.

It is understood that of the 17,683 registered voters in Kuala Besut, 1,460 live away from Terengganu.

Azlan is facing BN’s Tengku Zaihan Che Ku Abd Rahman in a contest that will determine the future of the Terengganu government. A PAS win will result in a hung state assembly.

The by-election was called after the death of BN’s Dr A Rahman Mokhtar on June 26.

Although BN is confident that it will retain the seat, PAS believes that anything is possible as it has raised several issues which it believes will sway voters. - July 23, 2013.
