The DAP decision to hold fresh central executive committee (CEC) elections is an “admission of guilt” and the party had been wrong, said Umno Youth chief Khairy Jamaluddin (pic).

The party after resisting a directive from the Registrar of Societies to hold fresh CEC polls finally agreed yesterday.

He said the DAP took a long time to admit its mistake and had delayed the decision to hold fresh CEC elections to capitalise on it during the May 5 general election.

“Even if it was the correct decision, why did they prolong the issue? This shows that DAP only wanted to politicise it,” the Youth and Sports Minister told reporters after launching the Malaysia Public Policy Competition.

DAP national publicity secretary Tony Pua said the party decided to comply with the RoS directive to avoid de-registration and it is not a validation of the RoS's claims of wrongdoing. - August 16, 2013.
