PEKAN, Oct 12 (Bernama) -- A power failure occurred at the Sultan Haji Ahmad Shah Convention hall here at 11.45 am today while Umno Wanita delegates were casting their votes.

However, the election process continued without much ado although the delegates had to temporarily rely on the emergency lights in the hall before the electricity was restored after 15 minutes.

Meanwhile, heavy rain which lasted for several hours here flooded the lobby at the Pekan Umno building where the Puteri wing was conducting its election.

The situation had not hindered the process.

Voting for the three Pekan Umno wings at three separate locations was reported to be smooth.
