ALOR SETAR, Oct 13 (Bernama) -- Kedah Umno Liaison Committee will carry out a post-mortem on yesterday's elections for the three Umno wings tomorrow.

Its secretary, Datuk Othman Abdul Aziz, said one major weakness detected was concerning the ballot papers for the divisional and national posts, which were alleged to be confusing.

"This is a new polling system and it went rather smoothly except for some technical problems. It also shows that the delegates accepted the system.

"In the post-mortem tomorrow, we will make some suggestions to ensure that the problems will not recur," he told a press conference here today.

He said less than 10 per cent of the ballot papers from the 19,901 delegates from 15 divisions were damaged and the last result was received at around 2 am today.

Othman said the introduction of the new polling system also made Umno the first among political parties in the country to make a more transparent transformation.

On the fact that 23 incumbent leaders of Wanita, Youth and Puteri Umno lost their posts to new faces, he said it would not give major impact to the party's strength.
