KUALA LUMPUR, March 4 (Bernama) -- Sapura Resources Bhd's wholly-owned unit, Sapura Aero Sdn Bhd (SASB), has signed a joint venture and shareholders agreement with ISY Holdings Sdn Bhd for the purpose of participating in a joint-venture company, ISY Aerina Sdn Bhd.

In a filing to Bursa Malaysia Tuesday, Sapura Resources said ISY Aerina would develop an aircraft hangar building on a piece of land at Sultan Abdul Aziz Shah Airport Subang, Selangor.

The hangar building would comprise compartments of aircraft hangars for housing aircraft and units of offices, it said.

Sapura Resources said SASB's total investment in ISY Aerina would be approximately RM4.05 million, which would be financed by internally-generated funds.
