**By Diyana Ibrahim**

The Selangor government is expected to reveal contents of the memorandum of understanding (MoU) it signed with Putrajaya on restructuring the water industry, and said it had signed a follow-up deal yesterday.

Menteri Besar Tan Sri Abdul Khalid Ibrahim said Putrajaya gave the green light to release details of the RM9.65 billion deal to the public.

"We expect to get the approval from Putrajaya in about a week, as we have follow procedures," he said.

"On Putrajaya's part, they are okay with it as the MoU is not connected with national security," Khalid said after the state exco meeting in Shah Alam today.

Khalid said a second deal was signed with Putrajaya yesterday, containing more details on the restructuring of the water industry in Selangor.

PKR de facto leader Datuk Seri Anwar Ibrahim had been informed of the matter, he added. –
