KUALA LUMPUR, March 14 (Bernama) -- Perodua will distribute operational funds worth 1.2 million pound (RM6 million) for eight years to its distributor in the United Kingdom, Perodua UK Ltd, to continue its after-sales services there.

The after-sales services include ensuring availability of spare parts, after-sales warranty and normal vehicle maintenance services, the second national car maker said in a statement Friday.

President and Chief Executive Officer Datuk Aminar Rashid Salleh said the move was to assure its customers in the United Kingdom that Perodua remained committed in supporting them and its partner.

He said Perodua would distribute the 1.2 million in instalments to Perodua UK every quarter until the end of 2020.

Perodua first started exporting to the United Kingdom in 1998 and have sold nearly 13,000 vehicles todate, ranging from Kancil, which is known as "Nippa" in the United Kingdom, Perodua Kelisa, Perodua Kenari and Perodua Myvi.

Currently, Perodua UK has 55 service dealers under its umbrella in the United Kingdom, which are located in England, Wales, Scotland, Northern Ireland and the Channel Islands.
