KUALA LUMPUR, May 20 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak said his second official visit to the United Arab Emirates (UAE) recently, proved fruitful in boosting bilateral ties between the two countries.

"The three-day visit (which ended Monday) served as a pivot to strengthen bilateral ties between our two nations," he said on his Facebook account Tuesday.

He noted that their joint-cooperation showed encouraging results with memoranda of understanding signed to enhance collaboration in defence and health tourism.

Najib described the Gulf state as a major strategic partner for Malaysia, with bilateral ties that were very significant.

The UAE Government has also gifted a mosque complex which is to be built in Kuala Lumpur.

In another posting, Najib expressed condolences to the family of Sister Julianna Lim who died today, after she and another nun were attacked outside a church in Seremban last Wednesday.

"My condolences to the family and friends of Sister Julianna Lim. The senseless act that led to her passing must not go unpunished," he said.

Lim, 69, and Marie Rose alias Theresa Teng, 79, were attacked with a helmet and robbed by a man just before dawn outside the Church of the Visitation.

The duo were found unconscious at the main entrance of the church and were warded at the Tuanku Ja'afar Hospital.
