A non-governmental organisation today lodged police reports against several senior PKR leaders for spreading false news about Tan Sri Abdul Khalid Ibrahim's resignation as Selangor menteri besar last week.

Pakatan Anak Selangor Menyokong Menteri Besar (Pasmeb) named PKR strategy director Rafizi Ramli, Kuala Langat MP Abdullah Sani Abdul Hamid, and Selangor assemblymen Amirudin Shari (Batu Caves) and Shuhaimi Shafie (Seri Muda).

"The police report was lodged because the spreading of false news to the extent that it involved the Sultan of Selangor is seen as an act of insulting the institution of Malay rulers," Pasmeb committee member Wan Adnan Wan Abdul Rahman told reporters at the Klang Utara police headquarters.

Wan Adnan said they also had evidence from the Internet and official media statements to show that the four were responsible for circulating the false news.

Pasmeb allied member Mokhtar Razak also criticised a few PKR leaders who had called for Khalid (pic) to step down.

"These requests for Khalid's resignation do not make sense as the people of Selangor respect his leadership," he said.

"The people of Selangor are comfortable with Khalid's administration. The civil servants in the state were overjoyed when it was announced they would receive a month's bonus.

"This is something which even Putrajaya could not offer to civil servants."

He added that Khalid was a visionary as he could sit at the same table with Prime Minister Datuk Seri Najib Razak, despite having different ideologies.

Mokhtar challenged the PKR leaders in question to prove that Selangor rejected the current administration.

"If what they claim about the people of Selangor rejecting Khalid, come and show evidence," Mokhtar said.

"They should know that there is a difference between party polls and the menteri besar."

Wan Adnan said Pasmab had about 2,000 members who will be conducting a state-wide roadshow.

"The full information will be divulged during this roadshow in various districts around Selangor," he said, adding that Pasmab would release further information later. – July 12, 2014.
