Absence of leadership will lead to disaster for Malaysia, Prime Minister Datuk Seri Najib Razak said today, using Brazil's shocking 1-7 loss to Germany in the World Cup semi-finals as an analogy.

A news portal reported him as saying that Brazil's loss to Germany could be attributed to its lack of leadership in keeping its backline together.

"When I watched Brazil, their defence was all over the place. I put it down to lack of leadership. There was no proper leadership," he was quoted as saying in Putrajaya today.

"If that could happen to a football team, imagine what would happen to a country that does not have effective leadership... the answer is, we will end up like Brazil.

Brazil, who was one of the favourites to win the coveted cup this year, was kicked out of the race after its loss to Germany in this morning's semi-final match. – July 9, 2014.
