KOTA KINABALU, Aug 10 (Bernama) -- Puteri Umno Kota Kinabalu has proposed for its membership registration to be made automatic in a bid to rejuvenate the movement with young blood.

Puteri Umno Kolam Kecil branch chief Noor Ramziah Ahmad said in a statement today, that the move would reduce red tape and draw more members to the movement, as well as facilitate organisation of activities.

She said the approach would help the movement to reach its target of 500,000 members.

Meanwhile, Wanita Umno Sepanggar passed a motion at its Delegates' Meeting today, calling for the construction of a flyover at the Sulaman Bypass to be expedited.

It said the flyover was necessary to ease traffic congestion along the stretch which services the state federal administrative centre, industrial zones and higher learning institutions such as Universiti Malaysia Sabah (UMS) and Universiti Teknologi Malaysia (UiTM).
