KUALA LUMPUR, Aug 11 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak today expressed his appreciation for the Malaysian disaster victim identification (DVI) team engaged in the MH17 tragedy investigation process.

"Thank you, Malaysian DVI team for your efforts in assisting to identify the MH17 tragedy victims in Ukraine," he said in his latest post on Twitter.

Najib's post was linked to a Bernama report on the contribution of the Malaysian DVI team to the process of tagging and transferring of the MH17 tragedy victims in Kharkiv, Ukraine, an effort that won the praise of the other DVI international teams.

Eleven members of the Malaysian police DVI team were among the two batches of investigators from the country who returned to Kuala Lumpur yesterday after 22 days in Ukraine.

Flight MH17 crashed in eastern Ukraine on July 17 as it was flying from Amsterdam to Kuala Lumpur with 283 passengers and 15 crew on board.

The Boeing 777-200 aircraft is believed to have been shot down over the troubled country, but no one has claimed responsibility.
