KUALA LUMPUR, Aug 9 (Bernama) -- Cheras Umno Wanita wing has unanimously rejected the suggestion to set up another Umno vice president seat to be filled by the party's Wanita wing.

Its chief Datuk Zurainah Musa said the suggestion was hotly debated during the Wanita Umno division meeting last night.

"We reject it not because we like to reject but through rational thinking that if it (seat) is given free, then people will not respect the post or the person holding it.

"Why do we need to have another chair, especially to be held by Wanita given that with our capability and capacity, we can compete to sit in the existing chair," she told Bernama here.

Prior to this Umno Wanita Umno was reported to have made a request for another vice president seat to be set up for the Wanita wing.

Currently Umno has three vice presidents to assist the president implement policies.

Zurainah said the matter became the main focus of the meeting that was attended by 174 representatives, who supported the motion to reject it when it was presented by Cheras Umno Wanita vice president Mariah Jantan.
