Tan Sri Abdul Khalid Ibrahim today refused to comment on the position of PKR exco member Rodziah Ismail who had earlier stated she would stand by PKR in the menteri besar crisis.

Khalid was met by reporters today at the Selangor assembly in Shah Alam after chairing the state economic action council meeting.

However, despite being pursued by more than 50 media personnel, Khalid declined to comment on Rodziah's position.

Khalid had sacked five DAP and PKR excos but had spared Rodziah as she was overseas.

Rodziah, the Batu Tiga assemblyperson, returned from Bangkok last night and issued a statement that she will stick by PKR's decision on the MB issue, adding that she wanted to fulfil the mandate given to Pakatan Rakyat (PR) to run the country's wealthiest state.

Khalid also said that PKR de facto leader Datuk Seri Anwar Ibrahim's position as the Selangor economic adviser was not discussed at this morning's meeting.

Meanwhile, PAS exco member Dr Halimah Ali said the positions of the PKR and DAP local councillors would be maintained. – August 14, 2014.
