The show cause notice to Selangor Menteri Besar Tan Sri Khalid Ibrahim was correct and fair, says PKR.

Responding to the menteri besar's claim that the notice was defective because it lacked specifics, PKR vice-president N. Surendran (pic) said in a statement that the procedure required only that "the charge against the offending member be clearly stated".

There is no requirement to quote specific clauses of the party's constitution, as claimed by Khalid.

He said the letter stated that, by way of a press statement, Khalid had defied the party's decision to put forward Datin Seri Dr Wan Azizah Wan Ismail as the Menteri Besar of Selangor.

The charge refers to a press statement issued by the menteri besar on July 22, 2014.

Khalid now has the opportunity to give his side of the story.

Surendran went on to add that it was "astonishing that Khalid desperately clings on to the position after his party had decided to replace him".

It is against "precedent" and "practice" in democracies and is "undignified," he said.
