KUALA LUMPUR, Sept 5 (Bernama) -- Datuk Seri Najib Tun Razak today launched his new personal website, NajibRazak.com in place of the website 1Malaysia.com which he had previously used as his official personal blog.

"Alhamdulillah (praise be to Allah), the website 1Malaysia has a new look. I also launch my new personal website," the Prime Minister said in his latest tweet today.

Visitors surfing both websites will be greeted with the message: "I am pleased to announce that my personal website, www.1Malaysia.com has moved to NajibRazak.com. The existing 1Malaysia website will continue as a recognised website with contributions from all Malaysians.

"You can choose to either go to www.1Malaysia.com or NajibRazak.com with one simple click," said Najib.

The website NajibRazak.com contained entries which he had carried since 2008 from the website 1Malaysia.com besides attaching photographs, videos and activities throughout his tenure as the Prime Minister and, prior to that, as the Deputy Prime Minister.

Meanwhile, the website 1Malaysia.com serves as a platform to explain in more detail the 1Malaysia concept and other government policies.
