KUALA LUMPUR: PAS Deputy President Mohamad Sabu, wading into the simmering Najib-Mahathir feud, has said that Prime Minister Najib Abdul Razak can kid others but not his mentor Mahathir Mohamad. "The former Prime Minister's administration was marked by abuses as well."

He was referring to Mahathir taking issue with the scandal-ridden 1Malaysia Development Berhad (1MDB), wholly-owned by the Ministry of Finance and touted as a strategic investment arm.

Mahathir qualifies, said Mat Sabu, as "kepala perompak" (chief of the robbers). "In that sense, he has been no different from Najib."

"Mahathir knows when abuses are taking place because he did it himself," reiterated Mat Sabu at the Kita Lawan gathering in Kampung Baru. "Now that his boy (Najib) is doing it, Mahathir can smell it straight away. He has been there."
