PKR has denied it had anything to do with the alleged anti-Prime Minister rally to be held in the city next week.

The party's communications director, Fahmi Fadzil, in a statement, said there was no such rally which was supposedly set to be held on the first day of Raya on July 17 at Dataran Merdeka.

"This is a cheap attempt of provocation and slander. PKR is not organising the programme."

An invitation to the public to take part in the "*Desak Najib Undur*" ("Ask Najib to Resign") rally has been making the rounds on WhatsApp.

According to the invitation, participants were urged to attend in the event in their baju Melayu and baju kurung.

The Opposition and non-governmental organisations had previously organised rallies at Dataran Merdeka, including one to protest against the Goods and Services Tax.
