KUALA LUMPUR, PAS Youth has “blamed” DAP for sparking a conflict between the two parties after declaring Pakatan Rakyat (PR) has ceased to exist.

In a report published in RokatKini dated June 16, PAS vice-Youth chief Khairil Nizam Khirudin chided DAP’s hasty decision that has impacted the coalition as a whole.

“This is likened to a game initiated by DAP to take advantage of several issues within PR and its incessant personal attacks against PAS president Datuk Seri Abdul Hadi Awang.

“DAP is not only offensive but also hasty in attacking PAS. They started the fiasco and subsequently killed PR,” he said in his Facebook posting today.

Khairil added that DAP had accused PAS of cooperating with Umno despite deputy president Datuk Tuan Ibrahim Tuan Man repeatedly assuring that it would not happen.

In the posting, he reiterated that the motion proposed at the ulama council was largely due to DAP’s action, which was too vocal in attacking PAS.

“PAS leaders had held a dialogue with DAP leaders to discuss the implementation of Syariah Criminal Code in Kelantan.

“The move (by PAS) proved that we have answered all the issues that were previously raised.

“Despite that, DAP continued to attack us consistently and intervened in our internal matters during the recent muktamar.

“DAP’s actions have gone overboard and that forced the PAS ulama council to table an emergency motion to sever ties with DAP but stay in PR.”

Last week, DAP secretary-general Lim Guan Eng alleged that the PAS muktamar decision to sever ties with DAP had “killed off” the coalition.

Lim declared that the coalition — formed by the three parties of PKR, PAS and DAP — had ceased to exist.
