**KUALA LUMPUR,** The Ulama Syura Council (MSU) will wait for the return of PAS spiritual leader Datuk Dr Haron Din from Umrah in Mecca before discussing the motion to sever ties with DAP.

The PAS president Datuk Seri Abdul Hadi Awang said the MSU meeting today was held to discuss appointments within the council.

He said there was no discussion about the motion that was approved without debate in the party's Muktamar recently.

"The motion to sever ties with DAP will wait until the PAS spiritual leader returns from Mecca.

"The discussion today was about the appointment of the Syura Council and did not mention anything about the motion to sever ties with DAP," he said when met after the meeting was held at the PAS headquarters here today.

Haron had left for Mecca for two weeks beginning 15 June.

He is expected to return to the country by the end of this month.

Hadi added on the appointment of MSU, many of them have retained their positions.

"For the position of MSU secretary, it will wait for Haron to return to determine the appointment."
