KUALA PILAH, March 7 (Bernama) -- The 1Malaysia Development Berhad (1MDB) has received a clean audit report (unqualified) for its audited financial statements for the year 2010-2014 by the Companies Commission of Malaysia (CCM).

Domestic Trade, Cooperatives and Consumerism Minister Datuk Seri Hasan Malek said until today, no reports of serious offenses such as fraud and dishonesty were detected during the audit of 1MDB.

It was an offense under the Companies Act 1965 if the auditor did not report any serious offense to the CCM, which carries a jail term of seven years or RM250,000 fine or both, he said in a statement here.

Therefore, he said, any wrongdoing of 1MDB funds was merely an allegation and had been refuted by related parties including 1MDB and Petro Saudi Limited.
