KUANTAN, April 10 (Bernama) -- Prime minister Datuk Seri Najib Tun Razak should be given the time and opportunity to lead the nation according to his own 'mould', according to Pahang Umno.

Pahang Umno Liaison deputy chairman Datuk Seri Mohd Sharkar Shamsudin said every leader had his own working and administrative style.

"We respect (former prime minister) Tun Dr Mahathir Mohamad because of his contribution to the country in the past, but now it is Najib's turn (to administer the country).

"I am of the opinion that what is happening now is more of a misunderstanding," he told Bernama when asked to comment on the criticism against Najib by Dr Mahathir recently.

Mohd Sharkar was also convinced that the investigation by the Auditor-General and the Public Accounts Committee (PAC) on the 1Malaysia Development Berhad (1MDB) funds would provide an answer to the issue later.

"So, give time to them (the Auditor-General and the PAC) to carry out their tasks first because Najib had also given an assurance that legal action would be taken if it were true there were malpractices in 1MDB," he said.

Mohd Sharkar, who is also an Umno Supreme Council member, said Pahang Umno wanted to see the matter resolved immediately so that the party could concentrate its resources and efforts to ensure continued victory for the Barisan Nasional (BN) in the 14th general election.
