KUALA LUMPUR, April 10 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak was not at all involved in the Altantuya Shaariibuu case, former prime minister Tun Abdullah Ahmad Badawi said today.

He said in a statement that a police probe conducted into the murder of the Mongolian model when he (Abdullah) was the prime minister showed that Najib had nothing to do with the case.

"One of the matters reported to me when I assumed the post of prime minister was the outcome of the investigation into the murder of the Mongolian national, Altantuya Shaariibuu.

"The (result of the) thorough police probe into the case that was delivered to me at that time confirmed that Datuk Seri Najib Tun Razak was not at all involved in the case," Abdullah said in a two-paragraph statement issued in Putrajaya.
