KUALA LUMPUR, April 8 (Bernama) -- Parti Gerakan today expressed its solid support for the leadership of prime minister Datuk Seri Najib Tun Razak, said Gerakan president Datuk Mah Siew Keong.

He also called on everyone and the community to give their full support to Najib because he was the best individual to lead the country.

He said that Malaysians must also be confident in Najib's leadership to ensure that the country continued to remain in the mainstream of development to become a developed nation and achieve Vision 2020.

"I am confident of the prime minister's leadership because he had brought much transformation which had been positive for our country. He had worked relentlessly to develop the country even though he was facing a political landscape which had changed a lot in the past 10 years," he said in a statement today.

He made the statement following criticism against Najib by former prime minister Tun Dr Mahathir Mohamad recently. Mah said it was not a problem although they had differing opinions, and whatever opinions and criticisms should be shared in a closed manner.

Mah, who is also a minister in the Prime Minister's Department, said the emergence of the social media and the greater demand from the voters had shown a new set of challenges to Najib and he had tried his level best to give the best service.

He said the prime minister was also committed to the thinking and spirit of the Barisan Nasional (BN).

"For the Gerakan, although we have faced disappointment, Datuk Seri Najib continued to support our initiatives and views.

"As such, I call on everyone to remain committed to the BN and support him who is also the BN chairman," he added.
