KUALA LUMPUR, April 9 (Bernama) -- The Malaysian Makkal Sakti Party has expressed full confidence and support for the leadership of Prime Minister Datuk Seri Najib Tun Razak.

Its president, Datuk R. S. Thanenthiran said all party members fully supported Najib who had been leading the political, economic and social transformation of the country excellently.

"Although faced with many challenges, Najib has still been able to strengthen the nation's well-being through his leadership, thus inspiring confidence among Malaysians that he is more than a capable leader," he told Bernama here today.

Thanenthiran said in terms of economy, the prime minister had contributed to the country's economic progress when he introduced various policies in reducing the rakyat's burden.

"For examples, on the implementation of GST (Goods and Services Tax), he wants to ensure the rakyat's comfort in the future when the tax collected after six months will then be returned to them in different ways," he added.
