KOTA KINABALU, May 12 (Bernama) -- Sabah will not be influenced by accusations and negative criticisms made against Prime Minister Datuk Seri Najib Tun Razak, said Parti Bersatu Sabah president Tan Sri Joseph Pairin Kitingan.

Pairin, who is Deputy Chief Minister, said Sabah would remain rational and continue to support the country's leadership under Najib.

The people, he said, should not simply hurl accusations and criticisms, but to also look at the transformation and development made by Najib.

"Particularly when we talk about Sabah, what the prime minister has done to bring changes in this state. He has been helping (bring development) in Sabah, why must we follow others to pull him down?.

"Sabah will continue to give its full support to the prime minister for the good of the state," he told reporters here today.

On security in Sabah, Pairin said Najib had made a wise move in setting up the Eastern Sabah Security Command and the Eastern Sabah Security Zone.

Likewise, the setting of a Royal Commission of Inquiry on Illegal Immigrants in Sabah, he added.
