

**Major Highlights Of 11MP
Bernama
May 21, 2015**

KUALA LUMPUR, May 21 (Bernama) -- Following are the major highlights in the 11th Malaysia Plan (11MP) for the 2016-2020 period tabled by Prime Minister Datuk Seri Najib Tun Razak in the Dewan Rakyat today:

1. Theme of 11MP is 'Anchoring Growth on People':

- * People are the bedrock of the nation
- * Preparing people for the future
- * Everyone enjoys growth and development

2. Strengthening macro-economic resilience for growth:

- * Increasing private investment and consumption
- * New growth through productivity and knowledge
- * Prudent public finance

3. Six strategic thrusts will address the end-to-end needs of the 'rakyat':

- * Enhancing inclusiveness towards an equitable society
- * Improving well-being for all
- * Accelerating human capital development for an advanced nation
- * Pursuing green growth for sustainability and resilience
- * Strengthening infrastructure to support economic expansion
- * Re-engineering growth for greater prosperity

4. Transforming the public service for productivity:

- * Citizens at the centre
- * Productivity and efficiency
- * Digital government

5. Collective effort needed to deliver on nation's aspirations

Over the next five years, close collaboration, hard work and commitment from all stakeholders are critical since success is not dependent on the government and public service alone.

6. Building Malaysia beyond 2020:

- * An advanced, progressive and an inclusive economy

- * A passionate steward of the environment

- * People united in diversity, possess unshakeable national identity and share a common set of values

7. The 11MP differs from previous plans in that it is:

- * Action driven

- * People-centric

- * Takes the long-term view

8. Productivity is the key to delivering the 11MP:

- * Private sector productivity

- * Public sector productivity

9. Building an advanced economy:

- * Translating innovation to wealth

- * Enabling industry-led TVET (technical, vocational education and training)

- * Building cities for global competitiveness

10. Growing sustainably:

- * Living and moving green

- * Reduce, reuse and recycle

- * Learning to be green

11. Inclusive society:

* A decent quality of life for all

* A graduate in every household

* Productive entrepreneur communities
