The rakyat (people) will understand better the benefits of the goods and services tax (GST) when Prime Minister Datuk Seri Najib Razak tables the 11th Malaysia Plan on May 21, said Datuk Seri Ahmad Bashah Md Hanipah.

Domestic Trade, Cooperatives and Consumerism deputy minister said Najib would provide a report on the GST implementation, which came into effect on April 1, when tabling the five-year plan.

"I am confident that after the report on GST, the people will view GST positively. They will reap the returns accrued through GST."

In Kota Kinabalu, Sabah Community Development and Consumer Affairs Minister Datuk Jainab Ahmad Ayid urged the people to be patient in regards to GST as it was implemented for their benefit.

"Yes there are some initial hiccups and there are people trying to take advantage of the situation but the authorities are on to them." – Bernama, May 17, 2015.
