KUCHING June 4 (Bernama) -- Sarawak fully supports the leadership of Datuk Seri Najib Tun Razak, after looking at his sincerity in helping to bring development to Sarawak, said its Chief Minister Tan Sri Adenan Satem.

"We in Sarawak know the meaning of being grateful to those who have helped. We support him (Najib) because it is the right thing to do. We recognise who is true and who is only showing off."

He said Najib was a sincere leader who wasn't good at acting, always strived to bring good, and someone who would try to right the wrong and heal the sufferings of others.

"He is being seiged left and right by those who are ungrateful, in the peninsula including those in Umno itself, who do not know how to be thankful, but only know how to stab in the back. We in Sarawak are sincere. If we support you, we say so," he said in his speech at the #sarawakfornajib event held at Stadium Perpaduan, here, today.

According to Adenan, Najib's contribution to Sarawak was huge.

Adenan said he knew that Najib had a 'soft spot' for Sarawak in his heart, and pointed out that Sarawak would always support Najib's leadership through thick and thin.

"Compare him to other prime ministers before, not that we are unappreciative...but there was one PM in service for 22 years who was just not bothered with Sarawak," he said.

Adenan said he was currently discussing with Najib on the devolution of power from the federal government departments to the state government departments.
