KUALA LUMPUR, June 30 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak Tuesday expressed his concern over the state of health of former opposition leader Datuk Seri Anwar Ibrahim, who is serving a prison sentence for a sodomy offence.

Najib in his Twitter account directed the relevant authorities to ensure Anwar received proper treatment.

"I take note of DS Anwar Ibrahim's health and I want the relevant authorities to ensure he receives proper treatment," he said.

A portal Tuesday reported Anwar's lawyer Sivarasa Rasiah as saying that the health of the former Permatang Pauh MP was getting worse following a 4cm growth on his kidney, a muscle tear on his shoulder and chronic arthritis.

Anwar is serving a five-year prison sentence from Feb 10 for the offence of sodomising his former aide Mohd Saiful Bukhari Azlan.
