Deputy Prime Minister Tan Sri Muhyiddin Yassin has expressed confidence that the special task force set up to investigate all insinuations and allegations hurled against 1Malaysia Development Berhad (1MDB) recently will conduct its investigations in a transparent and fair manner.

He said all parties should have confidence in the special task force set up to find whether the allegations were true or otherwise.

"I fully support the special task force and I agree the matter should be resolved quickly. The situation is worrying many parties.

"The investigation must be transparent and according to the law without fear or favour," he said at a Tadarus, Khatam Al-Quran and Iftar event organised by the Pagoh Umno division at Kampung Hujung Tambak Mosque in Gersik, Ledang today.

Attorney-General Tan Sri Abdul Gani Patail, Bank Negara Malaysia Governor Tan Sri Zeti Akhtar Aziz, Inspector-General of Police Tan Sri Khalid Abu Bakar and Malaysian Anti-Corruption Commission Chief Commissioner Tan Sri Abu Kassim Mohamed were appointed as members of the special task force to investigate allegations on 1MDB.

Muhyiddin, who is also Pagoh MP and Pagoh Umno chief, said the task force was established not to find faults, but to investigate comprehensively all allegations made.

"In conjunction with Ramadan, pray to Allah so that everything will return to normal, and let the task force discharge its responsibilities as best as possible," he said.

He said so long as the issues overhanging 1MDB were not resolved, they would cloud the view of the international community of the country.

He added that resolving the 1MDB issue was also important for the Barisan Nasional (BN) as the 14th general election was not far off.

He noted that it was the desire of the people to bring the nation to a stronger era for Islam and the people to succeed.

"Malaysia, unlike some Islamic states, has prospered since independence and the situation should continue," he said. – Bernama, July 11, 2015.
