The task force investigating 1Malaysia Development Berhad (1MDB) will also be looking at the authenticity of the documents and materials received from The Edge Media Group yesterday on the state investment vehicle, a police source says.

"The report on the outcome of the investigation will be submitted to the attorney-general," the source said today.

Yesterday, The Edge handed over documents, printed e-mails and hard discs on 1MDB in its possession to the Commercial Criminal Investigation Department in Bukit Aman.

On Monday, The Edge Financial Daily published a four-page article focusing on the joint venture between 1MDB and PetroSaudi International.

1MDB, in a statement yesterday, slammed the newspaper, saying the allegations in the report were "baseless and recycled". – Bernama, July 22, 2015.
