KUALA LUMPUR, July 14 (Bernama) -- Datuk Seri Najib Tun Razak hopes that the capacity to love and agree as shown in the month of Ramadan can be maintained in the coming months.

He said Ramadan was also a time to appreciate the time with family and friends as well as one's spiritual wellbeing, and not just containing hunger.

"I often see and feel the vibrancy of community life both in villages and towns.

"My hope is that this outpouring of love and togetherness is maintained," he said in a Facebook post entitled "Message from the PM in conjunction with Aidilfitri" on Tuesday night.

Wishing "Selamat Hari Raya Maaf Zahir dan Batin" with his wife Datin Seri Rosmah Mansor in a video clip with a duration of 0.58 seconds that was attached, which was also aired by RTM Tuesday evening, Najib said he also hoped that the advent of the Syawal month will bring thousands of blessings to all.

The Keeper of the Rulers Seal has set Thursday for the sighting of the new moon in line with the agreement of the Conference of Rulers to set the date for Aidilfitri based both on rukyah (sighting of the new moon) and mathematics (mathematical and astronomical calculations).
