KUALA LUMPUR, July 26 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak today welcomed commuters to give their suggestions for improvement of the Keretapi Tanah Melayu Berhad's (KTMB) Electric Train Service (ETS) from Kuala Lumpur to Padang Besar, for mutual benefit.

"It has been several weeks since the ETS service to Padang Besar kicked off. I was informed that many people had used it to return to their hometowns to celebrate Hari Raya.

"I hope that the service had made their journey back to their hometown more comfortable and convenient. If you have any suggestions for improvement, please submit it for mutual benefit," he posted in his Facebook and Twitter pages.

The ETS service began on July 10 and offered two return trips daily between Kuala Lumpur to Padang Besar.
