Inspector-General of Police (IGP) Tan Sri Khalid Abu Bakar has refused to comment on the leaked video featuring former Deputy Prime Minister Tan Sri Muhyiddin Yassin, as it is related to the ongoing investigation by the 1Malaysia Development Berhad (1MDB) special task force.

Khalid said he will not comment on anything related to the investigation by the special task force.

"I am not going to comment on special task force investigation. Not on 1MDB, not on the video," he said today.

Muhyiddin was captured in a leaked video saying Prime Minister Datuk Seri Najib Razak admitted that US\$700 million (RM2.6 billion) was transferred into his personal bank accounts.

In the video, Muhyiddin appeared to be informing his guests at his home last night that he had confronted Najib over The Wall Street Journal's report alleging that the funds from 1Malaysia Development Bhd (1MDB) linked firms were deposited into Najib's personal accounts.

"I asked him (Najib) from whom? He did not mention the name, from somewhere in the Middle East. How much?... Hard to count, he said 'a lot, a lot'.

"Then I asked why was it transferred to your accounts?... Why did it enter Najib Razak's accounts? How much money? US\$700 million.

"If you multiply that by three point something... RM2.6 billion goes into his personal account. He said this, he admitted," Muhyiddin said in the leaked video.

The video ends abruptly after Muhyiddin said, "so I said why did you put into your personal account?"

Muhyiddin was sacked two days after he told an Umno Cheras division meeting that The Wall Street Journal's report was a serious matter that needed explaining.

Najib had said Cabinet members should not air their differences in an open forum that can affect public opinion against Malaysia and the government.

Earlier this month, WSJ and whistleblower website Sarawak Report reported that up to US\$700 million (RM2.67 billion) was allegedly transferred from state-owned funds to two bank accounts under Najib's name with AmBank in March 2013.

The prime minister, however, had denied ever taking any funds from 1MDB for "personal gain" but had not commented directly on the fund transfers.

His accounts that allegedly received those funds had since been closed.

Najib had also blamed former prime minister Tun Dr Mahathir Mohamad whom he accused of working with foreign agents against his administration. – July 30, 2015.
