

Take Immediate Measures To Ensure Students' Comfort In SK Taman Sungai Besi Indah - Najib Bernama
Aug 24, 2015

KUALA LUMPUR, Aug 24 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak has instructed the Education Ministry to take immediate steps to allow students of Sekolah Kebangsaan (SK) Taman Sungai Besi Indah to study in a conducive and comfortable environment.

Monday afternoon, Najib visited the school which was in a temporary location at the Sungai Besi industrial district.

Among others, he wanted the ministry to ensure a more comfortable environment in each room, especially the library.

"The open space at the front door must be covered by an awning so that students can have out-of-class activities and to ensure that they are shielded from the sun and rain," he said in his posting on his blog, NajibRazak.com.

Najib also said the Education Ministry must ensure that there were additional toilets for the students and staff of the school.

"Education Ministry secretary-general Tan Sri Madinah Mohamad will implement all these steps for the comfort of the staff and students.

"He will report his progress to me until it is completed," Najib said.

Earlier, the media had reported that the original school was badly damaged which could affect its safety due to the housing project nearby.
