Continuous accusations hurled against Prime Minister and Umno president Datuk Seri Najib Razak are agenda to weaken Umno, said its secretary-general Datuk Seri Tengku Adnan Tengku Mansor.

He said those involved including the opposition continued to attack the prime minister after their efforts to destroy Umno by attacking Najib's family failed.

"They want to destroy Umno, to show that the president is weak. Eight or nine months ago, they tried attacking Najib's family, but did not succeed.

"Now, they are attacking the president himself and giving us unverified news on the social media," he said when opening the Bera Umno delegates meeting in Kedah today.

Also present was Rural and Regional Development Minister Datuk Seri Ismail Sabri Yaakob, who is the Bera Umno division leader.

Adnan, who is federal territories minister, urged Umno leaders and members to continue to defend the president as it was important for them to do so to avoid the party and Barisan Nasional from becoming weak.

He said all Umno members should embrace the party slogan, "Unite, Loyal and Serve", to restore the party's strength and to serve the people.

If this can be done, the people's confidence in Umno will be restored, he added. – Bernama, August 9, 2015.
