The two senior officers of the Malaysian Anti-Corruption Commission (MACC) who were immediately transferred to the Prime Minister's Department two days ago will meet with Public Service Department (PSD) director-general Tan Sri Mohamad Zabidi Zainal and Chief Secretary to the Government Tan Sri Dr Ali Hamsa tomorrow to discuss their transfers.

Following this, Minister in the Prime Minister's Department, Datuk Seri Shahidan Kassim has urged all parties to remain calm as the issue could be resolved amicably.

"I am convinced that although this is an administrative matter, the government can resolve it. We do not want the public to lose faith in the government enforcement agencies," he said at a press conference after chairing the Perlis Umno liaison committee meeting in Padang Besar today.

Shahidan was commenting on the recent transfer of two MACC officers, the special operations division director Datuk Bahri Mohamad Zin and strategic communications director Datuk Rohaizad Yaakob.

Bahri was heading the division which was investigating SRC International Sdn Bhd over the 1Malaysia Development Berhad (1MDB) issue, while Rohaizad received a visit from a group of opposition leaders at the Putrajaya MACC headquarters and had a dialogue session with them. – Bernama, August 9, 2015.
