Umno supreme council member Datuk Seri Mahdzir Khalid today reminded party members not to believe reports in whistleblower site Sarawak Report, which he claimed promoted the Jewish and Christian agenda aimed at splitting the Malays.

Mahdzir, who is also the new education minister, said this was the biggest threat facing the country's leaders who were being attacked within and outside the country.

"The Jews and the Christians have pledged that as long as there is the moon and the stars, as long as the end of the world is not here yet, they will decide that Muhammad's followers will be confused and split among themselves. This is the pledge of the Jews and Christians.

"And today, those who do things to us are not only from within the country, but from outside the country like Sarawak Report, which does not operate from Kuching," he said when opening the Hulu Langat Umno division meeting today.

Mahdzir said the editor and founder of the London-based site, Clare Rewcastle-Brown, wanted to see Malaysia no longer as an Islamic country.

"Sarawak Report is based in London. Who are they? Clare Brown... who is this Clare? She is the sister of Gordon Brown, the former British prime minister.

"What is their agenda? Their agenda is to see Malaysia no longer as an Islamic country," he said.

He added that the agenda has influenced Umno leaders where the Malay ruling party would be in danger of losing its power if this was not tackled immediately.

"They want to destroy our country and, to destroy it, they will ensure the Malays are split until they have no political power in their own country.

"This is what they want. Umno must reject them because Umno is the only party that can be in government.

"When Umno itself does not believe in its leaders, then Umno will be forced to look for a place to be government. This is what they are doing," Mahdzir (pic) said.

Through her website Sarawak Report, Rewcastle-Brown has exposed alleged financial improprieties involving 1Malaysia Development Berhad, the state investment vehicle laden with RM42 billion in debts.

Putrajaya has issued a warrant for Rewcastle-Brown's arrest and blocked access to Sarawak Report. – August 9, 2015.
