(Malaysian Digest) – The UK-based online news portal who's main claim to fame these days is mudslinging at Prime Minister Datuk Seri Najib Razak, was allegedly set up to help plot the downfall of former Sarawak Chief Minister Tun Pehin Sri Abdul Taib Mahmud to be replaced by a Chief Minister handpicked by Anwar.

Blogger Raja Petra Kamarudin revealed in his latest blog posting today that *Sarawak Report* was initially set up with funding from Europe to bring down the Sarawak Chief Minister to be replaced by Sarawak PKR chief, Baru Bian.

As we all know, Taib did not buckle under *Sarawak Report's* mudslinging and only retired when he was finally willing to call it a day; so the news portal decided to try a different approach, by bringing down the Federal Government to effect the change of leadership in Sarawak, Raja Petra wrote in malaysia-today.net.

"In spite of the massive onslaught and blitzkrieg, Taib did not fall and Barisan Nasional still remained in power. Hence Baru Bian would not make Chief Minister after all. And the only way for PKR to take over Sarawak and for Baru Bian to become Chief Minister was for Barisan Nasional to be brought down at federal level. And that was when Clare decided they should shift the attack and focus on bringing down the Prime Minister.

"Clare then met up with Tun Dr Mahathir Mohamad and offered her services to the ANC (Anti-Najib Campaign) — just like how she met Anwar at the Holiday Villa in London to offer her services to bring down Taib so that PKR can rule Sarawak with Baru Bian as Chief Minister.

"Dr Mahathir agreed and handed this project to the Chinese towkay who is behind Muhyiddin Yassin. Muhyiddin was put in charge of the operation to feed *Sarawak Report* with all the classified and insider information that *Sarawak Report* would need to bring down Prime Minister Najib Tun Razak."

The blogger also highlighted the increasingly desperate measures resorted to by the news portal as millions of ringgit had been spent on fuelling their agendas with no result so far as Najib, like Taib had remained resilient in the face of SR's mission to topple him, including the latest basket of lies titled "Najib Negotiates His Exit BUT He Wants Safe Passage AND All The Money! EXCLUSIVE DISCLOSURE!" which was reported earlier this week.

"Sarawak Report is not a whistle-blower. The ANC will whistle and *Sarawak Report* would blow. Basically its job is to give the ANC a blowjob whenever they need

one. And just like the big bad wolf, *Sarawak Report* can blow and blow but it can never bring the house down. They failed to bring Taib down. And now they failed to bring Najib down as well.”

Raja Petra also highlighted that the news portal deliberately distorted the amount of the Middle East donation to try to tie it to existing transactions made by 1MDB in order to kill two birds with one stone but that strategy hasn't worked out as the reported amounts no longer tally.

“As Malaysians would say: KANTOI! What a blunder and a setback for the ANC. *Sarawak Report* just proved that the money did not come from 1MDB after all because the figures no longer match. Game over for the RM2.6 billion allegation!” Raja Petra pointed out.
