By Melissa Tan

Owns almost every Malaysian industry

Tan Sri Syed Mokhtar AlBukhary is perhaps one of the most distinguished billionaires in Malaysia. He is currently the ninth richest man in Malaysia and is known to own leading names in almost every industry. From automotive to commodities, oil & gas to transportation, Tan Sri Syed Mokhtar is a man who has it all, and that is only the tip of the iceberg.

With his wealth, Tan Sri Syed Mokhtar continued to make inroads into various sectors where he almost monopolizes the rice industry of the country. Besides that, his company is involved in the sugar industry as well which was once owned by Tan Sri Robert Kuok, the richest man in Malaysia.

Tan Sri Syed Mokhtar's Net Worth

\$1.5 Billion

Coming from a modest family, Tan Sri Syed Mokhtar was actually a school dropout who made his fortune from literally nothing. He built his empire from the ground up and has rose to the ranks into becoming the top 10 richest man in Malaysia.

Age64
