KUALA LUMPUR, Oct 29 (Bernama) -- Puteri Umno wants the management of Universiti Malaya (UM) to take stern but fair action against its students who gatecrashed into its campus on Monday.

Its head, Mas Ermieyati Samsudin said if no action was taken, the public and its own students might view the university's leadership as weak.

"If any of its students were found to have acted against the university's regulations, the proper action must be taken against them," she said in a statement here today.

She was commenting on the incident at 9.20pm on Monday which saw some 300 youths including students from several higher learning institutions pushing down the main gate of the university to attend a talk by opposition leader Datuk Seri Anwar Ibrahim on campus.

The university had not given permission for the talk to be held.
