KUALA LUMPUR, Nov 17 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak advised students who obtained excellent results in this year's Ujian Pencapaian Sekolah Rendah (UPSR) to appreciate the sacrifices made by their teachers and parents for them.

While congratulating the students concerned, he said those who did not do well should continue to work hard to improve themselves.

The UPSR results were released today.

"Congratulations to students who obtained excellent results in the UPSR today. Don't forget to thank the teachers for the lessons taught and parents who have sacrificed a lot.

"To those who did not do well, don't worry. Make it a motivation for you to do better in future, God Willing," said the prime minister in his Facebook and Twitter postings today.

Education Director-General Datuk Seri Dr Khair Mohamad Yusof announced that 38,344 candidates or 8.65 per cent of the total 443,407 UPSR candidates nationwide obtained grade A in all the subjects.
