KUALA LUMPUR, Nov 23 (Bernama) - The Prime Minister's Office (PMO) did not buy spying equipment from a security company based in Italy, the parliament was told today.

"For the record, no such equipment was bought by the Prime Minister's Office," said the Prime Minister's Department in a written reply to a question from Tian Chua (PKR-Batu).

Tian Chua had asked whether the Prime Minister's Office bought spying equipment from a security company based in Italy in March and what was the purpose.
