KUALA LUMPUR, Nov 27 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak has expressed his sympathy to the family of a student who committed suicide after allegedly being unable to answer questions in a Sijil Pelajaran Malaysia (SPM) examination paper.

"I was saddened to read about the Form Five student who committed suicide after he was unable to answer SPM examination questions. My condolences to his mother over her loss.

"I share the sadness of his family. An examination is important, but it is not the end of the road. Of more importance is familial bond," Najib said in a post today on his Twitter account.

The 17-year-old boy hanged himself at the family home here last Wednesday after allegedly having difficulty in handing the Additional Mathematics paper.
