KUALA LUMPUR, Nov 30 (Bernama) -- The former Chief Executive Officer of the 1Malaysia Development Berhad (1MDB), Datuk Shahrol Azral Ibrahim Halmi on Monday met with the Public Accounts Committee (PAC) for the second time to give his statement.

Shahrol arrived at the Parliament building at about 10 am before meeting with PAC Chairman Datuk Hasan Arifin and other members of the committee to give his statement.

It was reported on Nov 25 that PAC had called Shahrol for the first hearing to give his statement on the formation of the 1MDB, reportedly in 2009 during his administration.

Hasan was reported as saying that the PAC would call Shahrol for a second hearing after several information which had to be submitted again before the PAC gets statements from the 1MDB President and Chief Executive Officer Arul Kanda Kandasamy tomorrow (Dec 1).

In his earlier statements, Hasan also clarified that this was done so that the PAC could present a more transparent, comprehensive and objective report.
